

[Authors love visiting schools and meeting librarians, teachers, and students.](#) But many schools can't afford author visits. In fact, many schools don't have the budget for new books, enrichment programs, or professional development. That's why I scoured resources and compiled this mega list of grants for schools and classrooms. There are plenty more than what you'll find here, of course, but this is a good place to start.

If any links on this page are broken, search the web with keywords. Also, please note that any specified grant amounts and details are subject to change.

Grants for Education

(Where a Texas organization is mentioned, insert your own state's equivalent.)

Some General Grant Sources:

Your local arts commission
Your state library association
Cooperative grant sites
Public library disaster relief funds
Corporate philanthropy (check local and national organizations)
Writing-related and literacy organizations
Sponsorships from community businesses
